

Certiman CaravanElixier 1000 – Special shampoo for cleaning the exterior of caravans and camper vans

Article no.: 60130001
EAN: 4 015753 300013

Content: 1000 ml

Certiman CaravanElixier 1000's special combination of surfactants guarantees a thorough and careful vehicle wash. With a pleasant fragrance, it is gentle on the paintwork and leaves a glossy finish. The level of biodegradability of the contained detergents exceeds legal requirements.

Suitable for:

Metal and plastic surfaces as well as lacquered surfaces.

Use:

Simply dilute Certiman CaravanElixier 1000 with water in a ratio of 1:1 to 1:2 before applying it by spraying or with a sponge. Leave it for a short time before washing it off using a sufficient amount of water and a sponge.

Do not use on warm/hot surfaces.

Aftercare:

Certiman NanoTec SiegelPolish

Please always read the label and product information before use. Do not leave the product to dry. The product may corrode sensitive surfaces. Please test before use.

Further information of the composition can be found on the Material Safety Data Sheet (MSDS).
