Article no.: 60130008

EAN: 40 15753 130085

**Contents:** 1000 ml

The cleaning product carefully, yet thoroughly removes the remains of insects, fat, oil, road grime and other dirt. Any dirt is dissolved and the residue can be removed effortlessly.

**Suitable for:**

Metal and plastic surfaces as well as lacquered surfaces.

**Use:**

To clean vehicle surfaces and car windscreens, we recommend diluting certiman® FliegendreckEx 1000 in a ratio of 1:5 to 1:10 before applying it by spraying or with a sponge. After a short exposure time, wash it off with plenty of water and a sponge.

High-Pressure Cleaner: The dosage in the cleaning jet should be between 1 and 3%. The product is also well-suited to prewash the car before the actual car wash process.

Do not use on warm/hot lacquered surfaces.

**Please always read the label and product information before use. Do not leave the product to dry. The product may corrode sensitive surfaces. Please test before use.**
