

Certiman RegenstreifenEx 1000 – Special deep-cleaning product for caravans and boats/yachts

Article no.: 60130010
EAN: 40 15753 130108

Contents: 1000 ml

The powerful, environmentally friendly cleaning concentrate removes black rain streaks, oil, fat and tar as well as street and environmental grime from sheet steel, aluminium hammertone finish and gelcoat. The level of biodegradability of the contained detergents and complexing agents exceeds legal requirements. Certiman RegenstreifenEx 1000 is frost-resistant and does not contain phosphates, CFCs, formaldehyde or solvents.

Suitable for: Metal and lacquered surfaces.

Use:

Depending on the type and intensity of the dirt, Certiman RegenstreifenEx 1000 can be diluted up to a ratio of 1:50. The cleaning product should be applied from the top down. Remove both the cleaning agent and dirt with a strong jet of water or a high-pressure cleaner after approximately three minutes.

Do not use on plastic windows, in intense sunlight or on hot surfaces.

Aftercare:

Certiman NanoTec SiegelPolish

Please always read the label and product information before use. Do not leave the product to dry. The product may corrode sensitive surfaces. Please test before use.

Further information of the composition can be found on the Material Safety Data Sheet (MSDS).
