

**SPECTRA CAPE HORN EXTREME 330 REMOTE MANUAL WATERMAKER**
**PRODUCT SPECIFICATIONS**

Production / Day	330 gal (1249 l)
Production / Hour	15 gal (56 l)
Power Requirement	12v DC 19A / 24v DC 10A 16 Watts/1 gal 4.2 Watts/1 liter
Weight	67 lbs (30 kg)
Pre Filters	2.5"x10" pleated polyester 5 micron
Controls	Spectra Remote Manual Controller
Installation Requirements	Dedicated thruhull, dry and well ventilated area not to exceed 110F/37C
Membranes	40" x 2.5" High rejection spiral wound polyamide
Pump and Motor	Shurflo diaphragm pump
Salt Rejection	99.2%
Temperature Range	Max 110F/37C Min 36F/2C
Baseline Conditions	33,000 PPM feed water at 77F/25C
pH Range	3-11 (typical seawater pH is 8)
Chlorine Tolerance	0 PPM
Warranty	Spectra standard warranty
Shipping Weight	105 lbs (47 kg)
Shipping Dimensions	47"x23"x18" 120cm x 59cm x 46cm

**FACTS**

The The Cape Horn family continues to be the choice for serious offshore racing campaigns like the Volvo Ocean Race and Clipper Challenge round-the-world yachts. The Cape Horn Extreme 330 is reliable and durable, with its diaphragm feed pumps in parallel, it can be run on a single pump for high efficiency or two pumps for high output. The Cape Horn 330 features Manual Remote control with Spectra's simple and reliable controller. This simplified controller can be mounted remotely and offers basic control of the watermaker, including freshwater flush with a set duration, perfectly bridging the gap between our full manual and completely automated watermaker systems. Add the Automated Z±ION Membrane Protection System to extend storage times for up to 30 days.

**FEATURES**

- Compact modular design
- Remote Manual control system offers basic watermaker control at a distance
- Spectra's unique Clark Pump for efficiency and reliability
- Optional "tank full" cut-off switch
- High and low speed operation for customizable power management and output volume
- Low power consumption, can be run on batteries, solar, or wind power
- Commercial grade diaphragm pumps with run-dry protection
- System includes installation kit, handheld water quality tester, and product sample valve
- Z±ION Compatible
- Freshwater flush control with a set duration
- Whisper quiet
